Meat project leaders wish to continue to help all members:

- ≡ **be proud of their project work**
- ≡ **actively participate in the learning experience**
- ≡ **complete a project that is the result of the exhibitor's own labor**

This agreement form was developed by the Beef, Sheep, and Swine project committee of leaders who agree:

- 1) That the project animal must be fed and raised on the family farm whenever possible.
- 2) That the form is developed to help assure that all housing arrangements are also acceptable.
