

## 2020 Dairy Show Plan

- Exhibitors can begin coming to fair grounds at 6AM, entering through Gate 9
- Show will begin at 10:30 or 11:00 a.m. There will be showmanship classes following the Junior shows. We should be done by 4:30.
- Exhibitors may drop cattle off on the South side of the dairy-beef barn to unload cattle and exit through the grandstand gates. Please park trucks & trailers in the lower lot, south of the barns.
- Exhibitors are welcome to show out of their trailer or set up in the barn
  - If showing out of trailers, park trailers east of the dairy-beef barn in the alley, between the horse arena and dairy-beef barn.
  - If using the barn space, **we ask that families stay together and spread out.** You may put bedding down for the cattle. Please know, all exhibitors are responsible for clean-up. The facility **MUST** be clean before leaving.
- Manure will need to be brought to the south end of the barn and put in designated manure drop-off area.
- Wash rack is available if needed.
- When the show is over and the barn is cleaned up, trailers can come to the south side of the barn to load up. To exit, use the grandstand gate exit and leave through Gate 9.
