

DEPARTMENT 119
OPEN CLASS ANTIQUES

Supt. Sandy Greil Supt. Lisa Sinda

RULES FOR ANTIQUES

- A. The Open Class Buildings will be open from 3:00 p.m. to 6:00 p.m. Sunday before the Fair to accept exhibits. Judging will begin on Monday at 9:00 a.m.
- B. Claim Checks **must** be presented to claim exhibits. Items must remain on display until 5:00 p.m. on Monday after fair. All items must be picked up between 5:00 p.m. and 7:00 p.m. Monday after fair.
- C. Each exhibitor will be permitted to submit only one entry in any one class. All exhibits must be the bona fide property of the exhibitor.
- D. Please read each entry description carefully. Items entered under the wrong entry number may be disqualified.
- E. No items previously receiving an award at this Fair will be accepted for competition. You may re-enter a previous non-award item after a three (3) year period.
- F. No professionals may exhibit in this department.
- G. Judges have been carefully selected. All exhibitors submitting exhibits at the fair accept these Judges and agree to abide by their decisions. The decision of the judge will be final in all classes. Any exhibitor who attempts to interfere with the judge in any manner will forfeit all premiums awarded. Unworthy entries will not be placed by the judge. Judges are not permitted to show in a division they judge.
- H. No prizes will be awarded on articles not mentioned in this book.
- I. If an exhibit arrives late, and this exhibit receives a prize, the prize will be dropped one place. If a 4th prize is awarded to the late exhibit another exhibit will be selected by the judge for that placing.
- J. Each exhibitor must securely attach entry tags on / to their own exhibits prior to submitting the exhibit for entry.
- K. The officers and Superintendents in charge will take every precaution for the safe keeping of all items on exhibit after their arrival, but the Racine County Agricultural Society, Inc. will not be responsible for loss or damage that may occur. Not all items will be behind glass or in a display case. All exhibits will receive the best care and protection in the surroundings. All exhibits will be displayed at the discretion of the Open Class Department.
- L. Reproductions will be disqualified. All entries are to consist of one item unless otherwise stated. All items must be 50 years or older.
- M. Please identify with a small label or tag, your exhibitor number, Division, Department and Class number on each item in the collection.
- N. A form will be included with your entry tags. This form must be filled out and presented with your exhibits at the time of entry. This form must list all of your entries along with your name and exhibitor number. This form will be used by the Superintendent(s) should your tag become misplaced. It is a good idea to keep a copy of this form for your own use to avoid entering an item already entered in a previous year. It is also helpful if you note on your claim check the item i.e. toy, vase, plane.
- O. The judge will use, but is not limited to, the following criteria for judging: Variety of Type, Historical Significance, Historical Sequence, Condition and Uniqueness and/or Rarity of Item.
- P. Due to the increasing number of exhibits, a limit has been placed on the number of items for each entry class so please read the premium list carefully. If the entry description states three (3) items, an exhibit containing more than three items will be disqualified. An exception to this rule would be that multiples may be used if part of a set or series as space allows.
- Q. Not all items will be displayed behind glass or in a display case. All exhibits will receive the best care and protection possible in the surroundings. All exhibits will be displayed at the discretion of the Open Class Department. The Superintendents in charge will take every precaution for the safe keeping of all items on exhibit upon their arrival, but the Racine County Agricultural Society will not be held responsible for loss or damage that may occur.
